*"Charity Never Faileth"*

*And charity suffereth long, and is kind, and is not puffed up, seeketh not her own, is not easily provoked, thinketh no evil, and rejoiceth not in iniquity but rejoiceth in the truth, beareth all things, believeth all things, hopeth all things, endureth all things.*

*If ye have not charity, ye are nothing, for charity never faileth. Wherefore, cleave unto charity, which is the greatest of all.*

Hibbard Ward Relief Society, first called Island Ward, was organized August 18, 1895 with Mary Alice Widdison as president and Emily Jacobs as first counselor and Laney Cahoon as second counselor, Eliza Knapp, secretary, Mary Rigby, treasurer and Nettie Widdison, assistant secretary.

The following were selected at a priesthood meeting, November 13, 1898: President Ellen Hendricks, counselors, Eliza Knapp and Mary Rigby; secretary, Margaret Ricks; treasurer, Bertha E. Clements.

On May 13, 1899, by-laws were accepted making the Relief Society organization lawful, consisting of eight officers.

On February 3, 1900, officers were re-elected as previously with one new officer, Emily Jacobs, assistant secretary.

On May 9, 1903, at a special meeting called by Bishop Hibbard, the following officers were sustained: Harriet Rowberry, President; Mary Rigby and Edith Mortimer, counselors; Emily Jacobs, secretary; Bertha E. Clements, treasurer.

A reorganization took place February 6, 1909, with Christina Pfost, president Mary Rigby and Margaret Ricks, counselors; Annie Neville, secretary; and Josephine Hendricks, treasurer.

President Pfost was honorably released on March 7, 1915, and Alice Smith sustained as fifth president Hibbard Ward Relief Society, with Edith Mortimer and Eliza Knapp as counselors, Clara Withers, secretary, and Martha Lee, Treasurer.

On April 9, 1916, President Alice Smith was released and Eliza Knapp set apart as sixth president, with Mary Neville and Minnie Lutz as counselors, Mable Knapp secretary, and Sarah Statham, treasurer.

Eliza Knapp was released and Mary Neville set apart as seventh president on March 30, 1919, with Minnie Lutz and Marion Tuckett as counselors, Pearl Nestor, secretary, and Mary Felt, treasurer.

On August 2, 1921, Mary Neville was released and sister May Hendricks was set apart as eighth president, with Alice Smith and Rebecca Widdison as counselors, Edith Mortimer, secretary, Rhoda Parker, assistant secretary, and Kate Keppner, treasurer.

After almost five years of service, Sister Hendricks was released and Kate Keppner sustained as ninth president, on March 7, 1926, with Margaret Ricks and Viola Willmore as counselors, Sofia Saurey, secretary and treasurer.

A shower was given for a blind mother. All sisters rallied to a call made by the Relief Society to donate 10 cents each toward the installment of a pipe organ in the Rexburg tabernacle.

## 1927 - 1930

The year 1927 began with Kate Keppner as President, 1st counselor, Margaret Ricks and 2nd counselor Viola Willmore, Sophy Saurey, Sec, Treasure. June 28, a Bundle Shower was held for a blind mother in our ward. In October, 2nd Counselor changed from Viola Willmore to Alice Sommers. In December a project was launched by the Stake to install a Pipe Organ in the Tabernacle. A large group of our sisters rallied to the call made by the Relief Society for 10 cents from each member. 1928 began with the same officers.

April 24, Vera Pfost, who had recently returned from a mission, gave an interesting report on Relief Society in the Mission Field. In September Sister Keppner and her officers were released and Jerusha Preece was sustained as President with Margaret Ricks as 1st Counselor, Alice Sommer 2nd counselor, and Sophy Saurey Sec. Tres.
September 11 a Social was held in Honor of Sister Kate Keppner. The sisters rallied to the call for a donation to help buy new chairs for the stand in the Church House. A practice was started some years ago of sending $5.00 for Christmas to each missionary from the ward. This practice was carried on again this year. In June a shower was given for Sister Marie Zollinger.

In July misfortune came across our ward. The home of Mr. and Mrs. Hicks Morris burned.
following this a community shower was held under the supervision of the Relief Society.

In May, thirteen sisters donated in behalf of an unfortunate family in our ward and spent the meeting time sewing for the same family.

In November work meeting, a pattern exchange was held. Every one voted it a very successful meeting. In December, a chicken supper and bazaar was held. $28.75 was cleared. The usual gift was sent to the missionaries.

The year of 1939 began with sister Emma Oldham still at the head of our organization and the other workers same as last year. Miss Letha Christensen gave us some demonstrations in January, February and March. Ward Relief Society Conference was held in April, Rose Fullmer was released, Mary Saurey was sustained as Coordinator. In June a Social was held which all enjoyed very much, it was held in honor of two sisters who had moved from our ward, Elsie Larson and Ethel Bird. Sophy Saurey, and Emma Williams took charge of the refreshments.

A chicken supper was sponsored in September for the Chamber of Commerce. $19.00 was cleared. Dinner was served and other help given in six homes in the ward where death made a call during the year. Some work was done in the cannery, but our gardens were not too good so we didn't have much to donate. We made two quilts for the Church welfare. We sent the usual Christmas gift to the missionaries. Forty-two sisters subscribed to the Relief Society magazine.

The year 1940 begins with Sister Oldham and her workers still the same. January 16 meeting was held at Sister Rhoda Parks home. January 30, the fifth Tuesday, each sister who had a rug or apron pattern they especially liked was asked to bring it to exchange with her neighbor. 36 sisters took part in this exchange.

February an oyster supper was served to the married people of the ward as a ward budget number by the Relief Society. A program was presented in Sacrament meeting in honor of our annual day, March 17. 110 were present.

Relief Society Conference was held in April. 78 were in attendance. June 11, a closing social was held with Margaret Ricks and Edith Mortimer in charge of the program, and Mary Hendricks, Christina Prost, and Mary Rigby in charge of refreshments serving 45 sisters. In September there were some changes in our class leaders, Hattie Rigby as Theology and Naomi Rick Social Service leaders were released. Edith Mortimer was appointed Theology, and Sophy Saurey the Social Service. Genevieve Saurey will take the lesson work which is to be given with the work and business.

September 24th, an opening Social was held in the form of an appeal for new members, the program was under the direction of Mary Saurey, our coordinator. Forty-seven sisters were present.

November a chicken supper was served which netted $25.00. December 10, at the home of sister Lola Saurey a Christmas party was held. A program was rendered, gifts exchanged, games played and refreshments served. Thirty-nine sisters joined in a pleasant afternoon.

In the beginning of the year we decided to increase our membership and attendance. We got a record from the ward clerk as to the month each sister in our ward was born. That particular month in which each sister was born she received a hand written invitation to attend Relief Society. This was appreciated very much by the sisters and made a pleasant Social afternoon, and it was interesting to see and hear the different sisters as they responded to this call. One sister who was not a very regular attender came to meeting and said "If the Relief Society can remember me and send me a birthday card wishing me a Happy Birthday I sure can come to meeting." The usual $5.00 was sent to the missionaries for Christmas.

The year 1941 begins with the same officers leading the organization. Vivian Atkinson, takes over the work as organist, and Arema Rigby as Chorister in our organization. The Relief Society Presidency and the Bishopric joined in entertaining the Relief Society Visiting Teachers and the Ward teachers. March 18 a special program was conducted to honor our Annual Day. It was conducted by Sister Ella Keppner, and Sophy Saurey. The program took the form of a tribute to the present officers. May 11, a program in Sacrament meeting as a crowing feature for the years work in Theology class. More than 20 sisters took part on the program which was very inspiring and a credit to the Theology Leader who had had as her aim through the year. Every member of the class a participant. Edith Mortimer was the Theology leader.

June found us with lovely summer days, so as a group we went to Rexburg to the City Park to have our closing social. A program was conducted by Emma Williams, refreshments of weiners, rolls, and ice cream cones were served under the direction of Lola Saurey, and Mary Saurey. Forty-three enjoyed the afternoon.

In September our Relief Society Stake joined Rigby Stake in a Relief Society Convention. Many of our sisters attended. September 30 the annual opening social was held, 24 sisters were present. November 7, a chicken supper and bazaar were held. It was advertized that the proceeds from the supper would be set aside to help furnish a new room in the new church house. $119.00 was taken in. $100.00 was set aside as a fund for the new Relief Society Room.

Relief Society Conference was held November 23 with an attendance of 90. Sister Lovernia Johnson was Sustained Teachers Topic Leader. In December the Relief Society joined with the M.I.A. to give a conjoined program. December 9 at Lola Saurey's home we held our Christmas party. Program, Santa Clause, refreshments, and exchanging of gifts were enjoyed by 60. We have 50 Relief Society Magazines in the ward. We have an enrollment of 79 which is 10 new members during the year. The usual $5.00 each was sent to the Missionaries, for Christmas.

The completed welfare project was on display.

In July during the fourth war bond drive a $50.00 bond was purchased by the Relief Society and at our work and business meeting three quilts were quilted, all being donated for the church building fund. One quilt was donated the previous month by Mrs. Rhoda Parker for the building fund. These quilts were turned over to the Bishop.

The Relief Society was reorganized on August 13 with Arema Rigby as president, Retta Berry 1st counselor, and Myrtle Sellers, 2nd counselor, and Irene Clements secretary.

## HISTORY OF THE HIBBARD WARD RELIEF SOCIETY FOR THE YEAR 1949

We began the year of 1949 with Arema Rigby president, Retta Berry 1st counselor, Sophy Saurey 2nd counselor and Irene Clements Secretary. In January we held a special fast and prayer meeting for one of our members, Hazel Morris, who has been ill for so long.

At our work meeting in February we quilted a quilt for the welfare. In May and in August we quilted for members and at our work meeting in June and July we quilted for the Society.

We had a party at the home of Hattie Rigby's commemorating the 17th of March and had a program with games and refreshments and had a large crowd present. We also had our sunday night meeting. For some time we had been holding meetings in the homes. This was not too satisfactory on account of the uncertainty of where meeting was to be. So with the consent of the Bishop, on March 22 we began holding meetings in our new Relief Society room although there was still much to do on the new Church House. Since then we have been holding meeting there.

In April we demonstrated making aprons, ear rings, lamp shades, etc. In May a year ago we started sewing patches on an old dress containing money, this to go to the building fund. It was decided to carry this on until a later date.

In August our Relief Society was reorganized. President Arema Rigby with her co-workers were released. They consisted of the following; Retta Berry 1st counselor, Sophy Saurey 2nd counselor, Irene Clements Secretary, Claire Preece Chorister, Ellen Willmore, Organist, Belva Withers Magazine Representative, Helen Oldham Visiting Teachers Message, Reba Widdison Theology, Vera Parker Work Director, Agnes Withers, Literature, and Geneveive Saurey Social Science.

Most of these officers were sustained in August and the rest in September.

At our work meeting in October and November we washed windows in our room and embroidered etc. The ladies also decided on a piano, rug and drapes for our room, and discussed other things.

We quilted two quilts for a member in December. We opened the patches on the dress which netted $63.43 which was used to help furnish our room. We also served our chicken dinner in December and had a large crowd. $817.89 was turned to the building fund.

At various times during the last months we have discussed furnishing our room. At the end of the year we have a new rug laid, a new piano and the windows have new venetian blinds. Our present assets amounts to $2687.48.

We subscribed for the magazine for our 8 missionaries. We had a party for the officers who had been released and gave them a gift. We gave our bazaar money to the building fund which amounted to $148.75.

My Family

I thank God every day
For the wonderful family that I have
And ask Him to guard and bless them
In what every may lie ahead.

Ferris is a wonderful husband and father
He works for us
And saves for us every passing hour

We love him dearly, our daddy
So kind and good and true
For the joy and happiness he gives to us
It makes our hearts true blue

We love our little home in Hibbard
Ferris built it with his own two hands
We are thankful for our church and school
And for our friends in this goodly land

Five beautiful children
Have come to bless our home
We thank God for them every day
Without them we wouldn't have much of a home

First we have Ricky
A fine looking fellow
Who always keeps life interesting
In any kind of weather

He is over in the slough
From morn until night
To sleep out with his friends
Is one of his favorite delights

Then we have Mickey
With her big soft brown eyes
When she is playing the piano
The time never flies

She is pleasant and cheerful
And always full of fun
Busy helping me
And our work is never done

Robbie is our eight year old
And is always reading his lesson
Has 38 100's in Arithmetic
And hasn't miss a day of school this season

We have Judy Kay with her sweet smile
Loves to paint and dance with style
Rides her stick horse and watches T.V.
She is our charming little Judy

Little Klint is our baby boy
To our home he brings much joy
Climbing on the cabinet is his great sport
Showing off in front of company, he really thinks he's smart

Now this little family belongs to me
And they make me very proud and happy as you can see
May God Bless us each and every one
To stick together always in all the years to come

## THE TALE OF THE WIND

The whistling, shifting, tossing wind
Came howling round my door;
As I listened, it told a story
Of unending ancient lore.

The gusts that blew in Adam's day
Were part of that great tale;
Noah, Lehi, Christ and Job
Surely endured a gale

If we can just untangle
This legend swept by the breeze,
What glorious songs of yesterday
Within our midst it leaves.

Although it may be quiet today,
The gusts will be returning;
As though to some remembered love
It constantly is yearning.

Its ties with future generations--
Its past-- we cannot sever;
So the whistling, shifting, tossing wind
Must lift its voice forever.

In my days of youth,
I wanted to gain great knowledge,
To teach the cause of truth.

I chose the role of wife and mother
Teaching my girls and boys
How to grow to stalwart adults
Discern between pleasures and joys

I learned to study the Gospel
Opened avenues of learning.
For this Plan of Life Eternal.
A fuller knowledge, I was yearning.

I joined with Relief Society women
To learn to live the fuller life.
Theology, a study of the Scriptures,
Work-day helped clear away my strife.

I studied Literature, past and present,
Great artists and their thinking,
Social Sciences, How to solve my problems
And clarify my living

To make my home a Haven,
Has been my every aim,
To teach the truths and live it,
To be with God again.

WIND

Oh, that I would ever see
A day this spring that is wind free
A day that's calm and peaceful too
A day when skirts stay by the shoe
A day when seeds in a narrow row
Would stay where we have tried to sow,
A day that flowers would dare to bloom
And not have petals torn to soon;
A day when shirts stay on the line
A day thru dust the sun don't shine
T'would heaven almost seem to be
A day this spring that is wind free

Just a few weeks ago, Lola expressed so well
The things she felt a Bishop's wife should fulfill.
In a most humble and sincere way
She touched deep into all our hearts that day.
With an attitude so genuine and fine
She helped us all to improve, and our lives refine.
With every word she expressed, there was a sincere ring
And her whole countenance reflected someone serene.

Through Ray's school years, her education came--
In knowledge that she would be mother & wife and not seek fame.
And she found in her home the contentment
Of just being there, and expressed no resentment
At having to share her husband day after day
As he fulfilled his callings, in his superlative way.

If everyone else thought her husband's decision not right
Still as his wife, she'd be behind him and keep in sight
His goals and ideals and trust in his wisdom--
Her first duty, she felt, was to be loyal to him.

Our Bishop we love and respect as a servant of God
His abilities are endless and we certainly applaud
Him as an Attorney, leader in city, county or state--
Well, in everything he attempts he just does great
I'm sure Ray acknowledges it and we know its true
Always at his home is Lola caring, loving, and guiding, too,
Their children in the most affectionate way
With the greatest amount of patience, day after day.
She's always behind Ray, one hundred percent--
As a Bishop's wife, she must have been heaven sent

Now it seems to me it <u>might</u> have been
Up in heaven before our birth, we were chosen and when
Our classification and destiny were decided
As to Lola's lot they were guided--
To set her aside with the favored few--
And made a note at the side of her name "As a Bishop's wife she'll surely do".
Then at the bottom of the page in very small print--
"Not just any Bishop-but for Bishop Ray Rigby she's meant".

Lola was not set apart--but still received a great call in life.
I'm so happy to sustain her as our Bishop's wife.

Last night as so many night before
Just before I went to bed I went to the children's bedroom door--
And as I bent and kissed each cool sleeping head with tousled hair
I felt such a surge of gratefulness and love for each one and they were unaware
And I gave a prayer from my heart that when each day was through
And as they tumbled into bed I might have helped them when their problems were due
It's easy to love and hope we can understand a child when he's sleeping and nothing seems wrong--
But in the morning when they awake can I measure up to that healthy little throng?
It's such a good and peaceful dream
When they are scrubbed and loved and tucked into bed healthy and clean.
And while they rest and sleep and grow
I'll go to bed, but before I do, I'll pray to know
Just what is the right answer to give
When Connie comes and asks about life's beginning and how she should live
She's so good and always tries to do her best--
Will I be there when she needs me--can I meet the test?
And when Stan is tired and sick of his school and books
Can I inspire him to read and do better, and as he looks
Will I measure up to the task that is mine
To help him grow and become a man that is fine?
When Scott's wirey frame hits the floor
Hold onto your patience and grab the door-
He's full of life and mischief and vim--
But when I look into his big brown eyes how I do love him.
And hope I can help to channel that energetic life
To find the good things there are and not the strife.

And little carefree Lori with her eyes of blue
She's wiggly and unconcerned-I must really stress to get her attention too
She likes to wear jeans without any cuff--
A beat-up hat, long sleeved shirt and gloves are a must
Can I help that innocent little girl
To develop charm and good attitude and be a real pearl?
Then there's Lesa, our youngest right now
How we all love her and everything she does is just so;
She has all of us in the palm of her hand--
Especially her Daddy and oh, my land--I declare his heart is even softer now
Than when he took Stan for a walk and taught him how
Lesa is so cuddly, lovable and warm--
There's no question, at her age she really has charm
But can I measure up when the things she does
Are no longer cute and to correct her causes a fuss--
Can I take that little soft hand and day after day
Help her to grow and develop and show her the way
Being a mother is a challenge to me
And I learned long ago, and I now see--
As a mother, wife or friend I'm really not much
Unless every day before my day starts, I kneel and keep in touch
With my Father above, and earnestly pray
For Him to help me as I meet each new day
This challenge that is mine seems bigger than me
And I pray my strength and wisdom will; come as I bow on bended knee

TO THE HIBBARD WARD

When this assignment was first given
I laughed and said, "Not me.
I'm not the least bit talented
As everyone can see."

Eventually I decided to give it a try
So in this way I may
Deliver a message to all of you that
I've not yet had the courage to say.

When I first moved into this ward
I was real discouraged and blue
I didn't know anyone that lived here
So I was lonesome, too.

I felt I was truly an outsider
And I blamed it all on you
I disliked the ward and the people
To move away was what I wanted to do.

Then I accepted work with the organizations
My interest in the ward began to grow
I have learned to love everyone I've worked with
Tho too often it does not show.

Since I have put forth an effort myself
I've really found friends galore
My mind has changed about the people
And the ward is becoming "home" more and more.

Now let me take this opportunity to say
"From now on I'll try to do my part.
Thanks to you all for the hand of friendship.
Thanks from the bottom of my heart." by Lola Johnson

A TRIBUTE TO PRESIDENT OF HIBBARD WARD RELIEF SOCIETY

Here's to the Hibbard Ward Re-lief So-ci-ety
And Here's to you good Sisters the very best it seems to me.

Let our memories travel back and mention just a few
Leaders who have worked and prayed many times for me and you.

We will start with Blanche, who in 1942
Was sustained as President and found much work to do.

Because World War Two was started, ours was an upset troubled land
Mothers must be drawn together in one united band.

When a new president was needed, Arema was the choice
Though before she had been noted mostly for her lovely voice.

Now she must square her shoulders, take on an extra load
For the building of a new church house was already on the road.

Under her we started cooking suppers, dinners; food galore
To finance our new project, still the Bishop called for more.

So there were quilts and food sales and all sorts of legal schemes
To build and furnish buildings takes a lot of money, so it seems.
When Arema's term was over and t'was pronounced a work well done
Then the reigns were given to Lizzy, mother of an only son.

Lizzy like the ones before her filled her nitch and did it well
Bringing out the young mother as all Hibbard now can tell.

For they are still a-coming, bringing others with them too
Some day they will be the leaders--this work will be theirs to do.

After Lizzy then came Ethel, ever ready night and day
To visit the sick and help the needy, for divine guidance she did pray.

And thus was led to set aside a special day each week
To visit the sick and the homebound, also to help those who were weak.

Now last but not least is Ardella, our loved president today
Giving of her time and talents, in our hearts she will always stay.

So here's to these dear leaders, their counselors and helpers, too
May the Lord bless and prosper you, yes, all of you.

# HISTORY OF HIBBARD WARD RELIEF SOCIETY; NORTH REXBURG STAKE, 1895-1992

The year 1962 began with the following officers and teachers officiating in the Hibbard Ward Relief Society: President Belva P. Withers, 1st counselor Ardella C. Withers, 2nd counselor C. Edna B. Casseroles were cooked and served along with salads, pickles, and rolls for lunch.

March 13, 1962 a program and social were held honoring the birthday of the Relief Society. An interesting program was presented and refreshments of angel food cake and sherbet were served.

At the April work meeting leaflets on how to make basic mixes were given to the ladies and samples were served.

At the May work meeting booklets on how to cook and serve dried beans were given to each lady.

During the summer months the Sisters in the ward embroidered enough rose blocks to make three quilts. These three quilts were quilted at the August work meeting. The money from the quilts being turned to the building fund.

August 12, 1962 Emmeli S. Sommer was released as Teacher Topic leader when she left for mission to Germany. Harriet L. Rigby was sustained August 12, 1962, as the Teacher Topic leader. September 16, 1962, Ardella C. Withers released as 1st counselor and Nina C. Ricks sustained. September 30, 1962, Nina C. Ricks was released as organist and Madelon L. Parkinson sustained.

In October the Relief Society was asked to sponsor an activity for the building fund. We sponsored a dance and all donations were given to the building fund.

December 7, 1962 we held our bazaar and dinner which was very successful. A ham dinner was served to a large crowd and many handmade articles were sold. (pillow cases, dish towels, aprons, quilts, etc.). We had a fish pond for the children and a country store where all kinds of homemade foods were sold. We took in $166.60 for the dinner and $246.75 from the bazaar.

A Christmas party was held December 18, 1962, an interesting program was presented. Refreshments of ice cream and cake were served, and each lady was presented with a lint brush.

We feel that we have had a successful year in our Relief Society. The teachers have all presented their lessons very well, and have completed the material outlined. They have been very interesting and educational and have been enjoyed by all attending.

We have had an active Singing Mother's Chorus and they sang at several occasions.

Sister Vera W. Parker has worked very hard as the Magazine agent and has placed 98 magazines giving us 125%.

The visiting teachers have been faithful in making their visits. Made 1117 visits--829 home visits, 288 not home visits. (Three districts not visited for one month during year) The September visits were made by the Relief Society Presidency.

The Presidency made 37 visits to the sick and had 12 days care of the sick, 17 welfare visits--90 hours contributed by Relief Society members to welfare projects and 30 R.S. members assisted on welfare project.

During the year the members completed 16 quilts, 30 pairs of pillow cases, and 17 sets of dish towels for the Society.

The Relief Society assisted at the following funerals during the year; Ervin Widdison July, Elizabeth Morris July, Mrs. Mortimer September, and William Morris, October.

The year 1963 began with the following officers and teacher in the Hibbard Ward Relief Society: President Belva P. Withers, 1st counselor Nina C. Ricks, 2nd counselor Edna B. Jensen, Secretary Alice M. Rigby, Chorister Ruth P. Willmore, Organist Madelon L. Parkinson, Magazine Representative Vera W. Parker, Teacher Topic Harriet L. Rigby, Theology Arema J. Rigby, Work Director Ardella O. Johnson, Literature Bertie G. Davis, Social Science Lola C. Rigby and special officer Helen R. Oldham garment agent.

During the year the following changes were made: February 24, 1963, Ruth P. Willmore was released as Chorister and Venese C. Bowen sustained; March 17, 1963, Vera W. Parker was released as magazine agent and Edith Simmons sustained and Ardella O. Johnson released as work director and Vera W. Parker sustained. In October Madelon L. Parkinson moved from the ward and was released as organist, and on November 5, 1963 Ruth P. Willmore was sustained as organist.

We have had a successful year in our Relief Society. All the teachers have given all the outlined lessons and they have been enjoyed very much by those attending. We would like to increase our attendance, but we have a large

number of sisters who work and are unable to attend Relief Society.

In July the Relief Society took the responsibility to paint the classrooms and the new addition to the chapel. Fifty-three women responded to the call and spent 1315 hours working. They painted 15 classrooms, 2 long halls and 2 rest rooms.

In September the Relief Society Presidency made the visiting teachers visits to all homes in the ward.

In October the Relief Society served a lunch to all those who worked in the ward potatoes.

On November 8, 1963 our annual bazaar and dinner was held which was very successful. A delicious dinner was served to a large crowd. Many homemade articles pillowcases, dish towels, quilts, aprons etc. were sold. We also had a fish pond for the children and a country store where all kinds of homemade foods were sold, candy, cakes, popcorn balls, pies etc. We took in $366.06 the night of the bazaar, and since then we have cold items that were left. We took in $858.54 during the year.

Sister Vera W. Parker and Sister Edith S. Simmons worked very hard as magazine agents and have placed 88 Relief Society Magazines. The Presidency made 46 visits to the sick during the year and 8 welfare projects. We assisted at four funerals during the year--Earl J. Lee, March, Ira Stevens, July, LaVoy Fisher, November and Evelyn Tuckett, December.

We have an active Singing Mothers Chorus under the direction of Venese C. Bowen and they sang at several occasions.

The sisters have responded willing to all calls and we completed 20 quilts, and 222 household furnishings during the year.

During the year we have built an addition to our chapel and a spacious new Relief Society Room. During the past years we have raised enough money to pay for the carpet, drapes and 50 new chairs for our room. Our room is now completed and the first meeting will be held in it beginning the new year.

We began the year 1964 in our new Relief Society Room. It is large and spacious and we enjoy its reverent atmosphere. The following officers and teachers began the year: President Belva P. Withers, 1st counselor Nina C. Ricks, 2nd counselor Edna B. Jensen, Secretary Alice M. Rigby, Chorister Venese C. Bowen, Organist Ruth P. Willmore, Magazine Representative Edith S. Simmons, Teacher Topic Harriet L. Rigby, Work Director Vera W. Parker, Literature Bertie G. Davis, Social Science Lola C. Rigby and Special Officer Helen R. Oldham as garment agent.

For our February work meeting, we held an all day quilting. The ward was divided into four districts with Florabelle J. Johnson, Reba R. Widdison, Elizabeth K. Neville and Harriet L. Rigby in charge of the districts. Each district was responsible for quilting one quilt. Each sister in the district was contacted by her chairman and invited to attend the work meeting. A total of 58 sisters participated throughout the day. A delicious lunch was served at noon to 83, which included the children. A day long nursery was maintained and the last quilt was taken from the frames at 5:15 p.m. The purpose of the meeting was to stimulate greater interest in quilting among the sisters. A story and picture of this event appeared in the September 1964 Relief Society Magazine.

At our March work meeting an apron shower was held. Each sister was asked to bring an apron to donate to the Relief Society for the bazaar. A large number of aprons were turned in and patterns were exchanged. Then again in April, each sister was asked to bring a sofa pillow, and these too were sold at the bazaar.

March 9, 1964 made payment of $650 to the Ward Building Fund to finish paying for the furnishings in the Relief Society Room.

At summer work meetings several quilts were completed, Ellen Willmore showed how to make doll cradles from Purex bottles, Ida Rock demonstrated how to make blanket storage bags from heavy plastic, and there was an exchange of casserole recipes.

During the month of September the Visiting Teacher Districts were visited by the Relief Society Presidency. The Sisters were invited to attend Relief Society and encouraged to make the Relief Society program a part of their lives.

On November 6, 1964 the Annual Relief Society Bazaar and Dinner was held. A turkey dinner was served to a large crowd. Many handmade articles: pillowcases, dishtowels, aprons, sofa pillows etc. were sold. We also had a fish pond for the children and country store where all kinds of homemade foods were sold--popcorn balls, candy, cakes, pies,

doughnuts etc. We took in $403.81 the night of the bazaar, and since then we have sold nearly all items that were left.

December 15, 1964 we held a Christmas party in connection with the December work meeting. A large crowd attended and an interesting program was presented. A small Christmas gift was presented to each sister (a handkerchief and a bottle of Relief Society Vitamins). Refreshments of ice cream, cookies and candy were served.

We have a Singing Mothers Chorus of approximately 30 sisters who practice each Friday afternoon at 4:45 p.m. They have been under the direction Venese C. Bowen the first part of the year, and since November under the direction of Vera P. Orr. They sang at several funerals and in Sacrament Meeting December 20, 1964.

The society assisted at the following funeral in 1964--William A. Saurey January 26, 1964, Samuel Sommer May 1964, and Harold W. Jensen September 25, 1964.

Our visiting teachers made 796 home visits and 324 not home visits a total of 1120 visits to the homes of our ward. Three districts were not visited one month during the year. For 1965 we are striving for 100% visiting teaching each month.

We quilted 16 quilts during the year, completed 17 sets of dishtowels and 40 pairs of pillowcases.

Each course of study had been completed by each teacher and has been presented in an interesting manner. The presidency made 26 visits to the sick and 3 welfare visits, a total of 168 hours was contributed by all females on welfare projects.

We have a large number of sisters who work and attend no meetings and others who attend only occasionally. This has been our biggest problem. We hope that by continued encouragement we might bring these sisters into our society.

Although our attendance has not been as good as we would like it to be, our sisters have been very willing to respond to special calls and assignments. Thus we feel we have had a successful year in our Relief Society. For the year 1965 we are striving for better attendance and for 100% visiting teaching each month.

Changes in teachers during year:

Bertie Davis released as literature leader February 9, 1964 and Carol B. Clements sustained.

Widdison sustained, Vera W. Parker released as Work Director and Jossine F. Saurey sustained, Lola C. Rigby released as social science leader and Harriet L. Rigby sustained. Due to illness of Nina C. Morris' baby she was unable to act as chorister, so on November 29, 1964, Vera P. Orr was sustained as chorister. of homemade foods.

A special demonstrations were presented at a homemaking meeting held November 29, 1966, by Pheobe Rae Robinson. She showed how to make flowers from tissue paper and spray with plastic to finish them, and how to make crochet covers for clothes hangers from rug yarn.

A Christmas Party was held December 20. An interesting program was presented consisting of musical numbers, readings and a Skit/Christmas Fashion Show written by Merle Hunter. The program was held in the cultural hall which was decorated for the Christmas season. Refreshments were served from a table decorated in the Christmas season (punch, cookies, fruit cake and candy). Santa's sleigh held a small christmas gift for each lady present. Total present 44.

We feel we have had a successful year in our Relief Society. We have had an average attendance of 28 at our regular lessons this year, with a larger attendance at our special events. Each course of study as outlined has been completed by each of our teachers. These lessons have been presented in an interesting manner.

# HISTORY OF HIBBARD WARD RELIEF SOCIETY; NORTH REXBURG STAKE, 1895-1992

March 17, 1967 marks the 125th anniversary of the Relief Society Organization. The Relief Society was organized March 17, 1842, through inspiration of the Lord by the Prophet Joseph Smith in an upstairs room over his store in Nauvoo, Illinois. There were 18 women present--Emma Smith, wife of the Prophet was chosen president. From this day began the advancement in privileges, rights and material comforts which women now enjoy. Notwithstanding the improvements in conditions generally, surely the same faith and devotion are reflected today on the faces of the members of this Society living in many countries and on the isles of the sea, that must have been reflected on the faces of the 18 present at the organization in 1842.

The Relief Society today extends to nearly 1/3 million women its blessings and opportunities for self-improvement and service in bringing help and comfort to the poor and the needy, the sick and those that mourn.

The Hibbard Ward Relief Society, first called Island Ward was organized 72 years ago on August 18, 1895 with Mary Alice Widdison as president, Emily Jacobs 1st Counselor, and Laney Cahoon 2nd Counselor, Eliza Knapp as secretary, Mary Rigby as Treasurer, and Nettie Widdison assistant secretary.

Three years later bylaws were accepted making the Relief Society organization lawful, consisting of eight officers.

The frame church house was completed in 1902. Before this the ward used a log building about 18 by 32 feet. This building served as both church and school house and was located about where Dewey Parker lives. This new frame building was much nicer than the log building but it was not very warm. It was heated by a large block pot-bellied stove.

Harriett Rowberry was sustained the 3rd president May 9, 1903.

Christina Pfost served from 1909-1915. Alice Smith 1915-1916. Eliza Knapp, 1916-1919. Mary Neville 1919-1921. May Hendricks 1921-1926.

One of the major duties of these early R.S. presidents and sisters was to look after the poor and the needy. In the cold winters they traveled by team and sleigh and in milder weather by buck-board wagons or white top buggies.

Especially did Sister Rowberry. It was said she gathered wheat in the buckboard wagons, traveling over rough, rocky or muddy roads. Crossing the ice one winter, the team broke through the ice and she and sister Catherine McCullock could have easily drowned. In such transportation these early sister cared for the sick, helped lay out the dead in their homes, sitting up with them all night, sewing the clothing for the dead and dressing them, as there were no funeral homes.

It is hard for us to appreciate these sisters efforts as we have our comfortable cars, good roads, and bridges and the many luxuries we enjoy.

In 1915 the General Board of the R.S. established the Relief Society Magazine. this little magazine has added much strength and comfort to our organization. To have a unified program of R.S. lessons was indeed a great help to the president.

Kate Keppner was sustained the 9th president March 17, 1926. During her presidency the sisters were asked to donate 10 cent toward the installation of a pipe organ in the Rexburg Tabernacle. Sister Keppner was released in August 1928 and Jerusha Preece was chosen president. She served the longest of any president (9 years) under her leadership chairs were bought for the stand in the Church and $5 was sent to each missionary. The building fund was started for a new church was the first chicken suppers were served.

In 1936, the welfare program came into existence and took the load of caring for the poor from the Relief Society and placed it upon the Priesthood.

Emma Oldham followed Sister Preece as president in 1937. The sisters sustained Sister Oldham in all her undertakings. Besides the charity work, the lessons were carried on in an efficient way. The Church Welfare well considered, gardens were raised, surplus produce was donated to the welfare cannery in Rexburg. Many women donated their time and effort in this cannery. Each missionary received $5 on Christmas. during Sister Oldham's presidency $100 were set aside for a fund to build a new R.S. room. Sister Oldham was released August 23, 1942 and Blanche Hendricks was sustained the next president. This was during World War II. Lessons in Red Cross were held with 22 enrolled. Banquets, bazaars and

chicken suppers were given to swell the ward building fund. In 1943, 22 quilts were quilted, three of them silk quilts. In March 1944, four quilts were quilted in one day.

Sister Arema Rigby followed Sister Hendricks as president on August 13, 1944. During the time Sister Rigby was president more chicken suppers, bazaars and banquets were held to raise money for the new church. Women of the ward were called to roll bandages for the Red Cross. In March 1945, a sewing machine was purchased. At the opening social in September 1945, patches in "shirt with silver lining" were opened and $147.22 was found. This money was given to the building fund.

The dreams and efforts of many years of labor for a new Relief Society room were realized under the leadership of our next president, Sister Elizabeth Neville, sustained August 21, 1949. Sister Neville and her officers spent many hours in decorating and furnishing our new R.S. room. In 1950, the new chapel was completed and dedicated by Bishop LeGrand Richards on February 24, 1950. Sister Neville was also instrumental in bringing a lot of young mothers into the Relief Society.

Sister Neville was released November 22, 1953 and Ethel Rock was sustained president. Again during Sister Johnson's adminstration $5 was sent to each missionary and new brides in the ward for one year. In August 1959, the R.S. was again reorganized and Theda Neville was chosen president. Again $5 was sent to all missionaries--the ward had over 100 precent magazine subscriptions. Sister Neville was released August 7, 1960, and Belva Withers was sustained president. In 1961, the time of Relief Society was changed to 10:00 on Tuesday morning. This seemed to bring more of the young mothers with small children out to Relief Society.

It wasn't long after our chapel was completed until it was found that it wasn't large enough to meet our needs. While Sister Withers was president, the sisters rallied together again to raise money for a new large R.S. Room . During the year 1963, the addition was built on the chapel and our spacious R.S. Room was completed. The first meeting in this new room was held January 6, 1964. Under Sister Withers' able leadership and the combined efforts of all the sisters, they were able to raise enough money to pay for the carpet, drapes, and 50 chairs for the R.S. room. Since 1959, we have maintained 100 percent in our magazine subscriptions. The magazine has been sent to all missionaries for 1 year.

In 1963, the R.S. took the responsibility to paint the classroom and the new addition to the chapel. 53 women responded to the call and spent 1315 hours. They painted 15 classrooms, 2 long halls and 2 rest rooms.

After six years of faithful service, Sister Withers was released July 31, 1966 and Guinevere B. Taylor was sustained the 19th president of the Hibbard Ward Relief Society.

In September 1966 the names of the different lessons were changed by the General Board to the following: Theology - Spiritual Living, Work - Homemaking, Literature - Cultural Refinement, and Social Science to Social Relations.

Since so many of our sister work, it was decided to hold evening sessions of Relief Society to give these sisters an opportunity to attend. The first meeting was held January 30, 1978.

During 1968 the R.S. sisters served 4 banquets at Ricks College netting $311. This money was used to purchase a new Singer sewing machine. During 1968-69 the Relief Society gave $396 to the ward funds to pay on the new refrigerator in the kitchen, the banquet tables and on the new drapes. Our balance on hand as of August 31, 1969 is $1093.24.

During Sister Taylor's years as president the average attendance of R.S. increased to near 40, and at the close of August 1969, there were 95 R.S. members, and only 10 who did not attend any meetings during the year.

On July 27, 1969, after three years of faithful service Guinevere B. Taylor and her officers were released and Arva J. Robison was sustained the new president.

The Relief Society sponsored a booth at the Madison County fair held the first week in September in Rexburg. We had many fine items exhibited by the sisters of the ward.

During the month of September, the presidency made the visits to the homes in place of the regular visiting teachers. We had 123 families in our ward and 122 at home visits were made. This left only one home with a no home visit for the month of September.

Due to the harvest season, we held regular homemaking during October. We then held regular meetings during the month of September giving the October lesson.

On November 12, 1970, we held a delicious ham dinner for a fund raiser. A large crowd attended. Bishop Jack Sommer asked the blessing on the food. Following the dinner, handmade articles made by the sisters of the ward were sold. This money from the supper and the articles went to the ward budget and to the building fund.

At our regular homemaking meeting in December, LaRue Hunter gave a demonstration on how to make candles. Many lovely candles and candle holders and arrangements were shown. Refreshments of Christmas cookies and fruit punch were served.

On January, a sewing class was started for the ladies of the ward. An experienced seamstress, Sister LoRee Womack was the teacher. This class was held on Thursday mornings and finished on February 25, 1971. We had an average attendance of 25, and a babysitter was furnished at a small cost. Products of this class were very well made and we feel many sisters learned a great deal from this class.

March 15, a special meeting was held in conjunction with the birthday of the Relief Society. A special program was presented showing how and how not to have family home evening. Sister Lovernia H. Johnson was given a special tribute in form of a poem, and a Relief Society pin in recognition of 43 years as a visiting teacher. Refreshments of shamrock shaped ice cream roll was served.

At the close of the year on August 17, 1971, a mother and daughter social was held. A style show of Now and Then was presented with 40 models, mothers and daughter, modeling clothes they had made. A total of 62 mothers and 52 children attended. Refreshments were served and we feel an enjoyable day was had by all.

During this year the Relief Society turned over its funds of $1,212.62 to the Bishop. As of this year, all Relief Society's are to be under the direction of the Priesthood.

As a Society during the year we assisted at the funerals of Glen C. Williams, in February, Chris Sommer in May, and Kenneth Josiah Hendricks in July. The presidency made 91 visits to the sick and homebound and 3 welfare visits.

Each of our teachers completed her course of study as outlined and the teacher development program was carried out by First Counselor, Theda C. Neville. During the year we completed 22 quilts, 24 sets of dishtowels and 18 pairs of pillowcases, plus numerous other items making a total of 293 articles completed.

We have an active Singing Mother's Chorus with practices held each week. This is under the direction of Lorna R. Leatham.

On August 22, 1971, President Arva J. Robison was released after two years of faithful service. Katie E. Baird was sustained as President, Nola O. Gallup as first counselor, Kerma S. Hendricks, as second counselor, and Barbara L. Johnson as secretary.

Our Relief Society honored the past presidency in September. They were Arva J. Robison, Theda C. Neville, and Guinevere B. Taylor. They were each presented a book in honor of their service to the Society.

Several times throughout the year the ward sisters were called upon to exercise their faith and prayers in behalf of the sick and afflicted in our midst.

In November, a building fund supper and auction was held to boost funds for our chapel remodeling and addition. A ham supper was served. Four quilts were auctioned and food was also auctioned bringing in $3200. This money was turned over to the bishop.

A Christmas program was held in conjunction with homemaking day. A Christmas Fair was held on a stake basis and our ward helped with it.

A very snowy and blowy winter made it impossible to hold homemaking day in January as everyone was snowed in. Hibbard hosted the Stake meeting in January and since our building was under construction it was held at the 1st and 8th ward chapel in Rexburg.

The Cultural Refinement Fair was held in the month of April this year. Those from our ward who participated were Reah M. Evans, Carol B. Clements, Blanche H. Hendricks, Barbara J. Neville, Flora Belle J. Johnson.

In May, a Spring Concert was presented for the building fund. Quite a sum of money was raised and turned over to the bishop. The concert consisted of 7 songs and this program was later taken to the Golden Living Center and presented to the people residing.

The presidency made their annual ward visit in place of the regular visiting teachers. They reported a 100% home visit made.

We had a new family move into our ward during the summer. The family of Brother Frank Samford. Soon after they moved into our ward, Sister Carol N. Samford, the wife and mother of the family became ill and it was learned that she had cancer in one of her breasts and needed an operation. The operation was performed and was a radical removal. While she was in the hospital and convalescing at home, the sisters of ward helped with her home and family. She also had to go to Pocatello every day for five weeks of radium treatments and the sisters of the ward took over this calling very willingly so that her husband could continue with his employment.

In December, a Christmas Party in conjunction with Homemaking day was held. A crib quilt was worked on and candle holders and dolls were made for gifts. We made a special effort to get the widows and elderly ladies of our ward to come out. We felt it was very successful. Different sisters were assigned to bring one of the widows or elderly sisters out. A lovely social and luncheon was held.

We had record cold weather this year, with the temperatures dipping way below what is normal for our area. The cold set in the month of November bringing 30 and sometimes 40 below zero weather. This was a hinderance to our attendance during some weeks. Another cause of low attendance was the good old fashioned influenza. It moved into our area and spared but few homes in its sweep through. A worse sickness was never known by some.

Our Relief Society assisted with six funerals during the year some of them being former members of our ward who were returned here for burial. There were: Sister Mary Tyler Morris, Brother Miles Robert Jones, Sister Genevieve Anderson Saurey, Sister Vera McCulloch Hearn, Sister Margaret M. Clements McKenna, and Sister Kate Keppner. Many hours were spent in compassionate service and several times the sisters of the ward were asked to exercise their faith and prayers in behalf of people who were sick or otherwise afflicted.

Our chapel has undergone a remodeling and addition onto it. It was completed during this annual year and was also completely paid for and on May 6, 1973, it was dedicated by Elder Robert L. Simpson, an assistant to the twelve apostles.

On March 16, a special birthday party for the Relief Society was held in the Ward Cultural Hall. It was the first big event to be held in the new cultural hall. All Relief Society sisters and their husbands were invited to come. It was a lovely occasion and was well attended. Three stake board sisters were in attendance, they were Sisters Ardis Stevens, Faye P. Scheiss, and Theda C. Neville. A delicious supper was served consisting of fried chicken, rolls, baked potatoes, corn, tossed green salad, relishes, and for dessert, cherry cheese cake. Special recognition was given to past presidents in attendance under the direction of Sister Marie B. Sommer, assisted by her husband Reed B. Sommer, their son Layne, Rose N. and Nola Barney, Corine H. Hendricks, Vera Mae, M. Raybould, Nina C. Ricks.

In June the Stake Cultural Refinement Leader, Sister Theda C. Neville, was in charge of a cultural arts festival held in the Hibbard Ward Cultural Hall.

Also in June, a Red Cross Home Nursing course was sponsored by the Relief Society. Sister Carol B. Clements

was called upon to go to a special training course held at Ricks College. She learned and brought back to the ward the skills of home nursing and held classes to help teach the sisters how to care for their sick in their own homes.

Our year began with one hundred twenty-three homes in the ward and ended with one hundred twenty-four.

In August, on our Homemaking day, we held a special brides day. Sisters were asked to either model or have someone model for them, their own wedding dress. This was well attended and there were many lovely dresses modeled. Also they were asked to bring their wedding books and they were of much interest, and a wedding gift they each had received. There were some real treasures brought and displayed. Some were many years old.

Also in August, the Madison County Fair was held and we as sisters helped to make it successful by entering in the home arts booth many handmade articles. Many blue ribbons were returned to our ward from this project.

There were three visits directed by the Bishop. There 65 visits made to the sick and homebound. There were 96 days spent in care of the sick. There were eight hours spent in service at the time of funerals. There were 123 compassionate service visits. One hour was spent by a R.S. Member on welfare. Eleven quilts were made, 14 household furnishings, 7 men's clothing, 152 non-sewed articles were made, and 40 other type articles were made.

In Relief Society, Sister Sommer expressed her love and appreciation to all the sisters for their love and support to her a President. She also expressed the love she has for each sister. Sister Sommer was presented a book "Remarkable Stories from the Lives of Latter-Day Saint Women." All the sisters attending signed the book. Joyce Saurey, Lucile Leatham, Joyce Mackay, and Carol Griffeth expressed their thanks and love to the sisters for their support and help.

The Hibbard 1st Ward held a very special Christmas Program on December 10, 1987.

*FEBRUARY 1979*

*Hibbard Ward has been in existence for 85 years. On January 28, 1979, the Ward was split to make two wards--Hibbard 1st and Hibbard 2nd.*

*Hibbard 2nd Ward started anew on February 4, 1979, with Hugh S. Parker as Bishop, Rich Andrus as 1st Counselor, and Gerald Morris as 2nd Counselor.*

*For the month of February, Hibbard 2nd Ward has been re-organizing each organization. It has been an exciting as well as "confusing" time for this new ward!*

*Relief Society: the new President is Carma Ferguson. With the help of the Lord, she chose as her 1st Counselor Nina Morris, and 2nd Counselor Mary Jones, Karen Reno as Secretary.*

*The first few weeks of this new ward's Relief Society has been exciting and fulfilling. Things have run quite smooth for a new Presidency, and some new officers and teachers. WE are still not fully organized, but with the help of our Father in Heaven, we will be able to staff this wonderful organization and help to fulfill the needs of the sisters.*

*Starting as officers and teachers of the Relief Society are as follows: President - Carma Ferguson; 1st Counselor - Nina Morris; 2nd Counselor - Mary Jones; Secretary - Karen Reno; Theda Neville - Spiritual Living; Corine Hendricks - Mother Education; Nina Ricks - Cultural Refinement; Vaudys Rigby - Visiting Teacher Message; Evva Dean Parker - Homemaking Leader; Joyce Mackay - Social Relations; Muriel Stewart - Homemaking; Jenny Smith - Chorister; Marilyn Saurey - Organist; Millie Andrus - Nursery Leader; Katie Baird - Nursery Assistant; Mildred Hoke - Librarian; Vickie Grover - Recreation Leader.*

*And of course, we could not function without the wonderful leader of our Sunday morning Relief Society. Janette Ballard is the Education Leader. AS of yet, we do not have a Homemaking Leader. Assistant Secretary is Marlene Owens. Teachers are: Karen Peck - Spiritual Living; Beulah Widdison - Visiting Teacher Message; Carolyn Smith - Mother Education; Joyce Saurey - Social Relations; Stephanie Hall - Cultural Refinement; Glenna McCulloch - Homemaking Teacher; Wendy Morris - Chorister; Nancy Baird - Organist. Sunday Relief Society is very essential for the working sisters of our ward.*

*MARCH 1979*

*The Big event for Relief Society for the month of March was commemorating the 138th birthday of the Relief Society, which started out with a beautiful presentation put on by several sisters of the ward.*

*Narration for this program was written by Carma Ferguson and Rhea Evans, and under the direction of Rhea.*

*Sisters Elizabeth Neville and Vera Murdoch were honored guests, and were presented a little rocking chair with a plant in it.*

*Mary Jones wrote a tribute to the out-going Relief Society Presidency - Emmili Sommer, Joyce MacKay, Joyce Saurey, Carol Griffeth, and Lucille Leatham. These sisters were given a bud vase with silk flowers made by the new Presidency as a token of our love.*

*Luncheon was served to 56 sisters and a quilt was quilted, which made this a special day.*

*Sister Lorna Leatham was in charge of the decorations which depicted the "old-fashioned" theme, and really added to the atmosphere.*

*The Sunday Session decided to present the same program. As a result, we asked the Priesthood to exchange rooms with us. Bishop Parker suggested we give the program to the Brethren, so maybe for the first time Relief Society was attended by Priesthood and visa-versa! It was well received and ice cream and birthday cake was served. A large birthday cake was made and beautifully decorated by Sister Karen Peck for our Wednesday session. Sister Doreta Widdison decorated the cake for the Sunday session. These were both served as a dessert with ice cream.*

*April, 1979*

*New carpet put in Relief Society room and down hall.*

*Theda Neville released after three years as Spiritual Living Teacher, new teacher is Millie Andrus. We also have a new Homemaking Leader for Sunday, Guenivere Taylor.*

*Presidency cleaned out Relief Society closet. Found was one really interesting item. An old suitcase full of home maternity needs, just in case of emergency, "hopefully this day will not come", also a note attached to the suitcase saying, "it is never, never to be given away."*

*The following remarks are portions of a letter written by Sister Mary Jones, a former counselor in the Relief Society. The entire letter is enclosed in a Jubilee Box on the hall side of the west wall of the chapel. The wall is to be opened in twenty-five years and the contents read.*

*"Compassionate Service" was carried out under the direction of Sister Carma Ferguson by keeping close touch with the sisters and Visiting Teachers. The sick and discouraged received help in the form of meals or personal contact. The Presidency carried out the practice of signing birthday cards which Sister Reno would send out to the sisters in the ward. New babies in the ward were welcomed with sleepers sewn by Sister Morris and a visit by the Presidency to baby and Mom.*

*A special booklet including activities, goals, meeting times, officers, and teachers was given to each sister in the ward. Birthdays and anniversary's of every sister was also included. Sister Morris was in charge of the project.*

*After the ward was divided on January 28, 1979, Sister Ferguson felt the need to draw the sisters closer together. Secret Sisters were assigned to every active sister in the ward. All sisters names, whether active or inactive, were given out. Late evening telephone calls in disguised voices saying "Check your mailbox" seemed to be very popular for everything unmailable. Bread, cookies, special gifts, flowers, candy, Easter baskets, and Christmas gifts found themselves in the mailbox. Cards arrive for birthdays, Christmas, Easter, Halloween, and just for being a friend. Some sisters worked harder at being friendly. The Presidency should really be warmed by the response to their plan. Many ladies outside our ward have commented that they wished they had the plan in their wards.*

*Another project was to collect 'Green Stamps'. Most of the sisters contributed stamps and enough were collected to purchase eight round card tables and eight lovely white lace tablecloths. These tables and clothes are very much appreciated by both wards as they are used for receptions, open houses, and special church events. Sister Ferguson, Sister Morris, Sister Jones, and Sister Reno donated checked gingham and lace. Sister Morris sewed up table covers for Homemaking evenings and casual uses.*

*A cleanup project was held May 4, 1979. The sisters scrubbed walls and the brethren cleaned the grounds.*

*A Home Storage booklet was put together to encourage the sisters to plant gardens and to get food storage on hand.*

*A Breast Self-examination Clinic was held on a Homemaking night. Not all sisters were able to attend so a second one was held on June 3, 1980. This was an excellent opportunity to learn how to safeguard our bodies and detect the signs of cancer.*

*The first of March 1980, church meetings were to start on the block plan. This meant no Relief Society would be held during the week. A special Relief Society was held on Wednesday, February 27, 1980. The nursery entertained the ladies with a rythym band. Cupcakes decorated with a flag that said "Farewell to the old, welcome the new" were served to the ladies and children.*

## *RECREATION*

*Vicki Grover was Recreation Leader for a year. Joyce Stewart then took over. These ladies enthusiasm for their projects was very catching and uplifting. An exercise program was introduced--early morning aerobics--swimming, jogging, or walking at the college. A later session at nine and then changed to ten was held for the late risers. Bicycling was an excellent summer endeavor. G old and Bronze Awards were presented along with the Church's Physical Fitness Program Awards. Charts were given to each lady so she had a choice of working for points. Some ladies earned these awards.*

## *SOCIAL*

*In July of 1979, the Relief Society held an evening out with their husbands at Porter Park. Duch oven chicken and a salad bar were enjoyed by many. Roy Gunderson's father from Norway played the accordion. Rhea Evans gave a humorous reading.*

*In 1980, a couple just returned from a mission in Nauvoo, showed slides and gave historical information on the area. The Andrus brothers (Rish, Robert, and Kendall) conducted a sing-a-long. Vicki Grover gave an original reading.*

*Officers and teachers and husbands parties are held each Christmas. On December 14, 1979, the Rich Andrus family gave a musical selection, Mary Jones gave a reading, Carma and Hal Ferguson gave the scripture reading on the birth of Jesus. Gifts of homemade candy and cookies and a hook on hand towel were given to each sister.*

*In 1980, a lovely ham dinner was served at Christmas for the ladies and their partners. Entertainment consisted of: Lana Hill gave a lovely reading, the Ron Hall family performed a skit on Mission Work, Nina Ricks, Nina Morris, Helen Hall and Nancy Baird enacted and sang 'Twas the Night Before Christmas'. Doorknob Christmas hangars were given to the sisters along with candy and cookies.*

*Beginning each new year an Officers and Teachers supper was held at Karen Reno's home. Sister Ferguson would give an inspirational talk and a short testimony meeting would held. A delicious meal was then served to the sisters.*

*A Spring Social was held in 1979. A fashion show, complete with the 'Crazy Hat' skit was given. Vicki Grover gave an original reading. Michelle Jensen, Rhea Evans, Carol Griffith, and Millie Andrus did a dance 'Disco Ducks' attired in stuffed overalls, ponytails, and clown faces.*

*QUILTS QUILTS QUILTS QUILTS*

*The quilts in the following pictures are the culmination of a project started by a suggestion by Sister Nola Gallup of the Hibbard Second Ward serving on the stake board of the North Rexburg Stake. Sister Gallup had suggested that each ward involved in the Teton Dam flood should donate one or two quilts as token of appreciation for the quilts and help received in the aftermath. Instead of the one or two quilts expected forty full quilts and eight baby quilts were made from our ward. The Church Welfare Office in Salt Lake City examined one of the quilts and after learning the details of the project a letter was sent to our Ward thanking the sisters and saying they could use a thousand quilts for emergencies. This assignment was a Stake projects. Hibbard Second Ward received the assignment of a hundred quilts. One hundred and twenty-five were finished and sent. Queen sized, regular sized, twin sized, and baby quilts in all kinds of materials and colors were completed. The first forty-eight quilts to be completed were displayed in the Cultural Hall on Sunday, October 24, 1979. On December 23, 1979, the North Stake Center was divided into booths for each Ward in the Stake. Over a thousand quilts were there. Each ward had selected a few to display in front of their booth. All of the finished quilts were rolled and placed in large plastic bags. Our ward added an extra touch by enclosing a letter from the donor stating names, religion, location, and the reason the family had participated in the project. These letters were pinned to the corresponding quilt.*

*Stewart on the benefits of Physical Fitness and preparedness. After these departments everyone went to the Cultural Hall. Displays of all kinds--recycling old clothes, quilts, and rugs made from rags, scraps and old clothing; handmade soap; lotion; candles; first aid display; home canned produce; dehydrated foods with samples; grinders, mixers, and a dehydrator; homemade butter, cheese curds, cottage cheese; breads, foods, and recipes from stored wheat, corn, beans, and rice. A sample section was setup here--wheat chili, wheat and tuna salad, wheat meatballs, corn bread, corn chips, corn chowder, rice dishes, chili and baked beans, and breads of all kinds. Homemade rootbeer and ice cream and Relief Society birthday cake were also served.*

*A shelf designed to rotate canned goods was also on display. A gasohol distillery was also demonstrated. A booklet had been printed up containing the recipes and preparedness ideas. Seventy-seven were sold for two dollars with an additional sixty-five were reordered.*

*THE STAKE*

*Hibbard Second Ward hosted the February 25 Stake Meeting. Sister Mary Jones explained Bishop Parker's quilt and the Sesquicentennial pictures that were on display. The officers and teachers then sang "Love Grows When We Serve One Another." The teachers were responsible for teaching their departments to other ladies in the stake.*

*The officers and teachers were asked to sing the song again for Sacrament Meeting in our own ward.*

*ORIGINAL PROGRAM*

*On January 30, 1980, an original program was held. Sisters in the ward were urged to come up with something original, such as poems, readings, rhymes, life stories, and short stories. Music was also encouraged, handiwork, paintings, craft ideas, and floral arrangements were on display. The young people's work was also displayed.*

*COUNTRY FAIR*

*Building Fund money was needed by the Relief Society. On March 14, 1980, the Relief Society held a Country Fair. Supper of hot dogs, chili, homemade rootbeer was sold. Sale goods consisted of baked goods, pillow cases, slippers, spice ropes, used clothing, white elephant articles, sno cones, towels, baby clothes, hot pads, doilies, aprons, bead work, wallets, quilt stands, flowers, hair cuts, and potatoes.*

*Quilts, afghans, doilies, pictures, and macrame were auctioned off. Over three thousand dollars was donated that evening to really help the building fund.*

*SESQUICENTENNIAL*

*On September 14, 1980, under the direction of Sister Mae Davenport, the lesson was given in the form of a skit. The Priesthood was also in attendance. A giant picture frame was onstage with different people taking part by standing in the frame and telling their ancestor's stories. A display of old-fashioned pictures of ancestors added to the decorations. Carrot pudding was then served to the brethren and sisters.*

*ORIGINAL PLAY*

*The Bishopric asked the Relief Society to present a program for the entire ward to commemorate the church's one hundred fifty years in existence. The Presidency spent many hours working on this. Sister Jones had written a story for the Original Program and through some special experiences, she developed a play from the story and entitled it "For the Love of Pete." Sister Mae Davenport was asked to direct the play. November 14 was decided upon for the presentation. The cast was carefully chosen. The play was presented to an enthusiastic and totally involved audience. A second performance was given in December for those who were unable to attend the first performance.*

*QUILT*

*The Sesquicentennial year was an opportunity to show Bishop Parker the love and appreciation felt for him by the sisters. A quilt was the answer. Each sister was given a blank ten-inch block. The assignment-do something that depicts your family. Some blocks were finished when the Bishopric was changed November 16, 1980, the Presidency decided to give the quilt to Bishop Parker since it had already been started. Each Sunday was exciting to see whose blocks were up front to look at. Sister Jones pieced the blocks together with a Joseph Smith block in the center section. The Presidency wanted to give the new Bishop, Lynn Stewart, something to show him the ladies support him. A large center quilt block embroidered with SESQUICENTENNIAL 1830-1980 and Hibbard Second Ward in the center. A similar block was embroidered and framed for Bishop Stewart. The night of the Ward Christmas program the quilt and picture were presented to Bishop Parker and Bishop Stewart. Bishop Parker displayed his quilt the next Sunday for the whole ward to enjoy. Bishop Stewart hung his picture on his office wall. The evening Hibbard Second Ward was in charge of Stake Meeting, the quilt and picture were displayed for other ward sisters to enjoy.*

*JUBILEE BOX*

*Sister Carma Ferguson, after listening to Elder Boyd K. Packer in a General Conference talk, wherein he mentioned the opening of a Jubilee Box prepared fifty years before by the Box Elder Relief Society. She also remembered a special letter written by her mother to her when she was a young mother. As the Churchhouse was being added onto, this provided an ideal time and place to position a box in a wall. The Bishop and a plea went out to the sisters. Each sister was urged to write a letter to her posterity to be placed in the box to be opened in twenty-five years. The task seemed hard as the letters were slow coming in. The contractor fixed a place on the hall side of the west side of the chapel. Quite a number of envelopes were place in the box before it was sealed in the wall.*

*FAMILY PREPAREDNESS FAIR*

*The need for the sisters and their husbands to be aware of the responsibilities in planning for finances, budgeting, wills, estates, inflation, credit, and in general to make better use of our money. Departments were set up in half hour blocks in three groups. Max Brown talked about budgeting and inflation. Rich Andrus talked about will and estates. The next block was given by Carol Christensen on literary, education, and career development; Shirley Ladle on Spiritual and emotional preparedness; Joyce*

*RELIEF SOCIETY'S BUILDING FUND "COUNTY FAIR"*

*Friday, March 14, 1980, a County Fair was held in the Cultural Hall. Beginning at 6:30, a supper consisting of chili, salads, choice of hot dogs or barbecues, and homemade rootbeer was available for a dollar. Booths were opened at seven for anyone's choice of merchandise. Haircuts, macrame, crocheting, knitting, embroidering, hand pieced quilts, tied quilts, afghans, pillows, rugs, clothing, wooden articles, white elephant booth, potatoes, cooked foods, and Easter baskets were available. A booth was also open for snow cones and ice cream. The children could also enjoy a fish pond and cartoons. An auction was held for the bigger items, the bidding was brisk and a sizable amount of money was turned in at the end of the evening to help with the building fund.*

*Christmas Work Meeting, December 1980*

*The Following pictures are of some of the ladies in the ward participating in workshops for the month of December.*

*Sister LoRee Womack displayed inexpensive decorations for your homes. She used some old Christmas decorations and refurnished them. An ordinary dried weed was decorated as a Christmas tree.*

*Sister Lynnea Oldham taught a class on felt mailboxes for Christmas cards. They were constructed from oatmeal boxes and cardboard tubes covered with felt and personal decorations.*

*Sister Phyliss Jones demonstrated the stuffed Christmas Trees. The ladies worked on them during the evening adding tiny bells, candy canes and ribbons for accent.*

*Sister Daila Jaussi, as cooking leader, demonstrated many mouth watering entrees and desserts. The ladies attending that evening were treated to a delightful assortment of goodies for refreshments.*

*Relief Society Christmas Party*

*A short program was presented as members of the Relief Society and their partners enjoyed a lovely ham dinner. One of the highlights of the program was a musical reading "The Night Before Christmas." Participants were Nancy Baird, Helen Hall, Nina Morris, Lucille Leatham, accompanied by Lynnea Oldham.*

*VISITING TEACHING*

*Oral evaluation was held twice a year with each pair of sisters to get acquainted and to learn of any problems or good things on their districts. Visiting Teaching Workshops were held once a year. In 1979 Hibbard presented a skit at stake meeting and again for our ward, a fashion show complete with a parade of Visiting Teacher Hats (Crazy Hats). January 1981, the young adult ladies put on a skit "Alice in Hibbardland."*

*FAMILY PREPAREDNESS FAIR*
*MARCH 20, 1981*

*The need for the sisters and their husbands to be aware of the responsibility for planning in finances, budgeting, wills, estates, inflation, credit and in general, to make better use of their money. A Family Preparedness Fair was planned to take care of these needs. Departments were set up in half hour blocks in three rotating groups. Rich Andrus talked about wills and estates. The next block was under the direction of Carol Christensen, the need of literacy, education, and career development. Shirly Ladle conducted a group on Spiritual and emotional preparedness. Physical Preparedness was explained by Joyce Stewart.*

*After these departments everyone went to the Cultural Hall. Displays of all kinds--recycling old clothes; quilts and rugs made from rags, scraps and old clothing; homemade soap; homemade lotion and candles; first aid display; home canned and home grown produce; dehydrated foods, with samples to taste; grinders, mixers, and a dehydrator; homemade butter, cheese curds, and cottage cheese; breads and other recipes from stored wheat, corn, beans, and rice. A sampling section was set up - wheat chili, wheat and tuna salad, wheat meatballs, corn bread, corn chips, corn chowder, rice dishes, chili and baked beans, breads of all kinds. Homemade rootbeer and ice cream were served along with the Relief Society's birthday cake.*

*A shelf designed to rotate canned goods was also on display. A gasohol distillery, put together by Glenn Tuckett, was available for those interested. A booklet had been printed up containing the recipes and preparedness ideas. Seventy-seven were sold at a cost of two dollars apiece with an additional sixty-five copies ordered.*

*RELIEF SOCIETY CHICKEN COOK-OUT 1980*

*The pictures on the preceding page show some of the ladies of the Relief Society and the partners enjoying a meal of Dutch oven chicken cooked by Brother Dave Jackson, Brother Harold Rigby, Brother Lafe Hoke, and Brother Hugh Parker. Salads, rolls, vegetable, and pies were also served to a large crowd.*

*HARVEST OF TALENTS NIGHT, November 12, 1981*

*Preparation for "Harvest of Talents Night" was started early in the fall of 1981. Assignments were given out to individuals to get the ball rolling. Sewing chairmen were Judy Clark and Phyliss Jones; Handwork, Mary Jones; Produce, Quinn and Marilyn Saurey; Baked foods and goodies, Daila Jaussi; White Elephant Booth, Michelle Jensen; Mutual girls contributed to a booth under the direction of Lana Hill; Dinner chairpeople were Vaudys Rigby and Nola Gallup.*

*Dinner was served from six to seven to a large number of hungry people. Selling at the booths started soon after as did the fishpond and cartoons for the younger children. The auction began about 7:15 with the bidding getting off to a good start. Ward members were eager to part with their money for a good cause and the beautiful articles for sale. Sister Mary Jones donated a crocheted tablecloth which wold for almost five hundred dollars. Other items also sold for very large amounts. The lovely quilts went fast as bidders already had picked their favorites. Bishop Stewart had donated some halters and other handmade horse equipment. These leather goods went to the brethren in a hurry. All items were sold and an enjoyable time was had by all who attended.*

*Sister Carma Ferguson and her Counselors were released during 1982. Many new and exciting activities had been instigated under Sister Ferguson's directions.*

*Sister Julee Jensen Peterson was sustained as the new President of the Relief Society. She chose as her councilors--First, Sister Carol Wasden Christensen; Second, Sister Millie Hart Andrus; and as Secretary, Sister Joyce Parker Mackay.*

*HARVEST OF TALENTS--1982*

*A combined effort by all the ward members was held in November, 1982. Harvest of Talents was enjoyed by a lot of members. A meal was served, starting at six, to a large number of people. Selling of handmade items and cooked foods followed. A booth especially for children to buy from was included. A film, fishing pond, and other activities for the children were held while the adults were busy bidding on quilts, crocheted items and other handmade goods. A generous sum was raised to help with the budget.*

## *HARVEST OF TALENTS 1983*

*This years display of talented homemakers and dedicated craft enthusiasts products was greeted by a large crowd of eager buyers and hungry viewers. Articles of many kinds were on display for a short time before selling started. Everything from lovely, ruffled dresses to tiny refrigerator magnets were offered. Macrame, crochet, embroidery, and stuffed animals were just a few of items displayed on long tables. Many hours were spent by the Presidency and their committees to make this event enjoyable for all ages. A special table just for the children to buy from was a big success. The cooked food was also a big sell-out.*

*The quilts which the sisters had been working on for the past year were on display on the stage. Other special handcraft items were also on the stage. Ceramics, a rocking horse, and stuffed animals were on the stage too. The auction kept a large crowd in the recreation hall. The beautiful quilts and other items brought a substantial amount of money to help the ward budget.*

## *A SPECIAL CHRISTMAS EVENING*

*A special evening was enjoyed by many of the sisters in the ward in early December. Mini classes in ceramics, cooking, and snowman cookies or candy jars. A light refreshment was served when the ladies were nearing the end of their projects.*

*A highlight of the evening was the presentation of a commemorative quilt to outgoing Relief Society President Julee Peterson. Ladies in her ward board had worked many secret hours to finish the lovely gift to her. The new Relief Society President was Sister Carol Griffeth. In just a few short months Sister Griffeth became ill and another special sister was called to take her place. Sister Vaudys Rigby, Sister Phyllis Jones, Sister Joyce Stewart, and Sister Marietta Dennis formed the new Presidency.*

*Sister Lois Sessions recited a poem she had written especially for Sister Peterson. Christmas songs were sung by Sister Carma Ferguson, Sister Georgeann Roberts, and Sister Julie McCulloch. Sister Daila Jaussi was in charge of refreshments.*

*"THOSE GOOD OLD GOLDEN RULE DAYS" August 30, 1983*

*A party for all women and girls over six was held in honor of school starting and the many new clothing items to be bought or made. The welcome was given by Sister Joyce MacKay with Sister Joyce Saurey giving the opening prayer. "Love at Home" was sung by Sister Millie Dickerson and Nancy Robison. Decorations were under the direction of Sister Susan Gundersen. Luncheon foods were under Sister Daila Jaussi's direction. Sister Phyllis Jones was coordinator of the event.*

*A skit was presented showing how school was in the olden days. Narrators were Sister Vicki Grover and Sister Carma Ferguson. Participants were: Susan Gunderson, Nina Ricks, Shirley Ladle, Penny Dickerson, Phyllis Jones, Michelle Jensen, Lois Sessions, Vaudys Rigby, Joyce Schneiter, Laurel Robison, Evva Dean Parker, Joyce Stewart, Julee Peterson, and Carol Christensen.*

*Sheri Powell, representing Blocks's clothing store, narrated a fashion show as the models walked down from the stage and through the center of the Cultural Hall. Ladies helping were: LaMae Hillman, Marrissa Thueson, Shera Thueson, Judy Thueson, Diedre Thueson, and Julie Powell. A display table also showed make-up, perfumes, and lingerie available at the store.*

*"Kids Were Made for Fun" was sung by Jennifer Jones, Amy Grover, and Teresa Andrus, accompanied by Venese Bowen.*

*"Stephanies" fashions were modeled by Arva Robison, Lorilee Hall, Kimberly Hall, Susan Gunderson, Carol Griffith, Marsha Hall, Lisa Hall and Kathy Leatham. The narrator for the group was Karen Reno.*

*Pam Hart did the honors as narrator for "The Village Shop." Models for these lovely clothes were: Becky Parker, Theda Neville, Shawna Hendricks, Katie Baird, Dana Gallup, and Debbie Neville.*

*Brother Wesley Christensen was most helpful assisting the ladies on their descent from the stage. A lovely luncheon was served to a large group of ladies and young girls. This gave each mother an idea of what was available for her school age daughters.*

*Those in attendance were also treated by some of the young ladies of the ward to an aerobic dance. Those participating were Kathy Leatham, Debbie Jaussi, Gaynor Smith, and Becky Parker.*

*A high kicking dance was performed by Cathy Leatham, Jenny Smith, Emily Grover, and Nicole Ferguson.*

*Sister Julee Peterson thanked those in attendance and those who had helped in any way. Closing prayer was given by Sister Lorna Leatham.*

# Birthday Party - March 1986

The Hibbard 2nd Ward Relief Society birthday dinner was held on Thursday, March 20th at 7:00 p.m. Because the last few years had been a more spiritual theme, we decided to have a lower key, less formal evening. A Hawaiian Luau was chosen.

The entire cultural hall was decorated with Hawaiian articles. Most were purchased from the college and others were borrowed. The thing that was most effective in setting the mood was the soft flood lighting. No fluorescent lights were on and the room was soft and romantic. You entered the cultural hall over a bridge and were greeted by 2 greeters placing Hawaiian Luis around each persons neck.

Our entertainment for the evening was by a group known as "The third Generation." They sang country and Hawaiian songs. They were really enjoyable and the audience was receptive. A young group of cloggers preceded this group.

Our menu followed the Hawaiian theme with sweet and sour pork over rice. It was delicious.

Closing Narration--Earl J. Lee

There were two more daughters born, Faye and Gwen and they all continued to live here--marrying and bringing grandchildren home. In the early 1960's after mother had passed away I was sold to Larry and Deanne Hendricks. They kept me about two years and I was again sold. This time to Jesse Ward. Jesse's daughter Treva and her husband Allen Burnside now live with me. They have three cute kids that play in the shade of my big trees and enjoy the beautiful yard that Allen has landscaped and fixed so nice.

Though times and people have changed, I'm pretty adaptable. I learned a great lesson from a good man that lived here long ago. I'll do what you want me to do--I'll be what you want me to be.

"Do You Ever Wish a House Could Talk"

If this house could talk, what would it say?

My beginning started with a young couple's dream--maybe perhaps on paper with only ruler and pen, or perhaps only an idea in mind.

A foundation--walls and beams, ceilings, roof and floors, and also some good solid doors, windows, of course, paint, stucco, brick and boards, all add to the decor. Next and last of all--the family--full of hopes and dreams. The first little infant with parents so young and proud--perhaps not too experienced, but willing to learn. More babies soon came along. The rooms and closets began to fill--"oh dear, where can we expand" was the next concern. Maybe a room or porch on the back, or maybe just one more bed.

At this house there was always plenty of work. Minding younger children, pulling weeds, bringing in firewood, washing dishes, woodwork, walls and floors, helping with the laundry, ironing, cooking, bringing in the eggs, and many other chores.

Everyone was needed at this house. We had to work before we could play--priorities were taught and time was valuable. We were thankful for sometime to play. Birthdays, anniversary's, vacations, weddings and such all took their turn. Missions and educations were all dreams we shared.

Soon our babies are grown and we wonder where the years have flown--can't be they are on there own.

Happy days, sickness, death, heartaches, and many prayers played their part--our hearts were bound, our roots run

Hunt-Raybould

I was one of the first two-story homes built in Hibbard. I am now called the old Raybould home and am located just southwest of Dell and Vera Mae Rayboulds new home. Ezekiel and Emily Lutz Jacobs traded 80 acres to Jared Rock, a stone mason, to build me in 1900. I stood tall and erect with my black rock, trimmed with white. I had a kitchen, a parlor, and one bedroom on the ground floor and three large bedrooms on the second floor. Eighty more acres were sold to buy materials and to furnish me.

The Jacobs family had hard times when they first came to Hibbard and were sure proud when they finally owned a big, nice home like me. They cleared the sagebrush and timbered (planted acres and acres of trees) the ground. Some of these trees still stand today from these early homesteaders.

In 1906, a railroad track was laid through my property and a large beet dump was built very near the house. In the fall the train would come down from Sugar City every 2 or 3 days to pick up sugar beets.

About this same time, the Jacobs sold me to John and Mary Elizabeth Hunt. They never lived with me because they had a home in Rexburg, but farmed the ground. For as long as John Hunt was alive, he took very good care of me. Different hired men took advantage of my spacious rooms to shelter their families while they worked for Mr. Hunt.

John Hunt died in 1918 of an influenza epidemic and Lizzie (as she was fondly called) took over the sheep business and farming. In 1933 Lizzie and John's only son-in-law, Raybould, moved in and farmed for about a year. In 1934, Alvin Lusk took over the running of the farm and his wife Minnie Mortimer and their four sons moved in. They stayed with me for about 15 years, bringing a lot of ruff'n'tumble play. That was a good time of my life.

The four years following their move I was left vacant. The townsfolk said I was haunted and I do suppose I looked a little eery--so tall and dark with weeds growing all around. The kids broke my windows and made jokes about the ghosts that lived in my attic.

In 1952 Dell Raybould and Lyle Bowen decided it was time I was taken care of. They did extensive repair work and Lyle and his wife moved in for about a year. After that Dell lived in me for about three years before he married Vera Mae. That time wasn't too bad, but I sure was glad when Vera Mae moved in and I started receiving the ole T.L.C. I'd known so long ago. While Dell and Vera Mae lived here they continued to remodel and improve my interior. Jeff, Valerie and Kathy were born during this time.

I stood solid at the time of the flood and Jeff and Vickie Raybould and Dave and Valerie Raybould Clark both lived in me since that time.

I am vacant now, but I don't mind. I'm sure I could survive the hustle and bustle of families these days. I've lived a good life. I've been used well and done my share of providing. As long as I stand I'm satisfied to simply be a landmark and a reminder of days gone by.

Ira Nathaniel Hinckley family homesteaded 160 acres in 1885. They lived in a one room log house while they built the brick house with six rooms and a meat curing cellar room.

The bricks were fired at the Sommer kiln and were laid by Lovenia's Grandfather Henry Rock and his son Jared. The walls are three bricks wide with copper sire between. It is easy to heat in winter and it stays really cool in summer. It was finished in 1902 and the family of nine children moved in.

Ira Jr. was married December 1902. The family had a party for him in the new house and presented the bride & groom with a "slop-bucket" filled with root beer and do-nuts.

Lovenia bought the house and farm (now 32 acres) from the Hinckley estate in 1943 and moved in with children Lenard, Vilda and Toots. Her sister Hazel and son Leland also lived in part of the house. Hazel died and Lovenia's children moved on. Lovenia and Leland lived in the old, brick house until she fell breaking her hip. There after, her health deteriorated and she was unable to move back to her "home" before her death.

Rashell

Fisher-Cruz
1987

I am the home Alfredo and Raquel Cruz live in now. Dr. Steven Christenson bought me in 1980 and started a large dairy on the property. I am proud to have been chosen for this business venture. It has added a lot of excitement and many new lives to an old house like me. I could have just as easily been forgotten down here at the end of the lane.

I was built in about 1919 by John Henry and Mary Anna Fisher. They had been living in an old log home they shared with their cow and horses, so it was wonderful to have a bran-spankin' new home like me. I was four small rooms with log walls 12 or 14 inches thick. The logs were chinked together and when I was new there was plaster put in the cracks to hold the wind out.

Only two years after I was built, Mary Anna died and two years after that John Henry also passed away. Their older boy, Joe and his wife, remained in the house and raised the Fisher children that were still at home and their own family. We had a big orchard and they sold fruit. Times were good. but lookin' to get better.

In about 1955, I was sold to Grant and Faye Bowen. They had four children named Bud, Linda, Julie, and Steve. My once air tight walls had by now lost their morter and the wind blew through me. My four room--"and a path"--was improved to six rooms and indoor plumbing. I got a new kitchen and Vawn Klingler offered to stucco my outside. Again I became a warm snug little home to raise another family in. The Bowens kept me for nearly twenty years before their family was raised and another moved in. This time the name was Michaels. They had two little boys that longed for a home in the country. Their dream had come true! Here I was and here they came--goats, sheep, chickens, geese, cows, baby calves, and pony's. This was real farm living for them. They made improvements inside and out, building a little shop and garage by my side. Mrs. Michaels was a school teacher and one year we had the whole Hibbard School come for a field trip. They climbed the trees and had a picnic on my lawn. I was proud to have my place be the center of so much attention.

Steve and Bobbie Christenson bought me about that time and since we've had the dairy here I have housed several families; Richard and Deon Evans, Jeff and Laurie Sommers, Lex and Clarene Bankhead, and now the Cruz family.

I'm sure people call me old--69 years--and I'm far from perfect, but I have had a good life. I have seen births and deaths, sickness, divorces, happiness, sadness, and many, many more things. Over the years I have experienced and learned a lot. Each family has had something to offer. Some of my families kept me spotless, others had a great time playing with the kids. Just as people are different, so are homes. And you know what they say--you're never too old to learn! This time I'm learning Espanol!

Betty Dawn

Nishikawa-Fisher

I am a home long ago forgotten. If it weren't for the nice home of Wanda and Gail Perrnoud in front of me no one would even know where to find me.

It has been many years since the sound of laughter has been heard within my walls. Like other homes in Hibbard I was never lived in after the flood.

I was built by Jimmy Nishikawa, a Japanese immigrant, in about 1906. Jimmy Nishikawa worked for Charles Saurey in the sugar beets doing all the hand work. The ground I was built on belonged to the Saurey's, but they gave Jimmy permission to build my small frame structure to live in for as long as he worked for them. I was only one room and not very fancy. Just some boards nailed together with heavy paper on the inside walls. I was so cold that in the winter Jimmy used two stoves in opposite corners of the room. When Jimmy moved away, the six acres I was built on was left to Roy Saurey, Charles son. Roy traded this property to Clarence Fisher, the son of John Henry Fisher. He lived alone for a few years and then invited his younger brother, La Voy Fisher and his wife Verla, to move in with him.

These were happy times for me, as six children were raised under my roof (Evvert, Donald, Eileen, Marie, Lily, and Betty Dawn). Many improvements came with the growing of the family, including electric lights and indoor plumbing. A sadness came within our walls in 1963 when La Voy passed away. Things were never quite the same after that. Verla continued to raise her children in Hibbard until she remarried and moved in about 1965. Marie Fisher Derricott and her husband, Vance, lived here for a while, then Steve and Karen Bowen bought me. They sold me to Clark and Florence Carrol in 1974. I was rented out for two years. One month before the flood, the Carrol's move 'lock-stock-and-barrel' from Seattle to my humble surroundings. They were barely settled when the raging waters from the Teton Dam tore through my 70 year old walls. This was an extremely hard time. For myself and for the Carrols. Not only did I lose my life--so to speak--but I lost all the precious belongings of the good people who had just moved in. Their son, Pete Carrol, took over the clean-up and tried to restore my damaged interior. It was then, in the examination of my damaged structure that the first original sticks placed there by Jimmy Nishikawa 70 years before were found. They were astonished to find that they truly were nothing more than 3 x 4 sticks. The clean-up was to no avail. It was too much--I was too old--and not much of a beginning at that. They kept me as a shop, but I was never lived in again. In fact, it could have been the only thing that kept the Carrols here for a couple of years after that.

As an old house I find it peculiar that anyone would have an interest in me. I'm not much good to anyone anymore--but there is one thing. I am the record--and maybe only record--of a poor Japanese boy. No one knew him much--no one cared about him much. But because I still stand-Jimmy Nishikawa's name was remembered her tonight.

*HOME ARTS AND PRODUCE BOOTH MADISON COUNTY FAIR*
*AUGUST 1981*

*Hibbard Second Ward Home Arts booth won many blue ribbons in their display. Handwork of all kinds were on display, crocheted items, sewing of clothing, quilts, woodwork, latch hook, rag rugs, crewel embroidery, macrame and craft ideas were on display.*

*The Produce Booth won Fist Place with a plentiful array of garden vegetables and fruits. Decorations were added to bring out the color of the produce.*

*Sister Carol Griffith and Sister Vicki Grover were in charge of the Home Arts and Produce Booths. A thank you is given to them for their hours of work and to the others who helped make this a good year for fair displays.*

*HIBBARD FIRST WARD*

*On October 21, 1990, a meeting was held in the stake center. The matter of business was to split the Hibbard 1st and 2nd wards and make a new 3rd ward.*

*Our Relief Society President was Cheryl Calderwood, who had been put in just before the division of the wards. Her 1st Counselor was Ruth Willmore, 2nd Counselor was Janene Marcum, and Secretary Jackie Terry.*

*March of 1991, for the R.S. birthday, a Hawaiian Luau was held for the sisters and husbands. Everyone had an enjoyable night.*

*On August 8, 1991, a Tri-Ward social was held for the sisters. A dutch oven chicken dinner was enjoyed by all and the sisters enjoyed visiting with old ward members and meeting new ones.*

*In December 1991, our Relief Society was asked to make 18 pairs of pajamas to be sent to a hospital in Bolivia. The response was great! Everyone who was asked gladly accepted the assignment and many more sisters would have gladly helped also.*

*On March 19, 1992, the Hibbard 1st and 3rd Wards combined to celebrate the 150th birthday of the R.S. There were many beautiful displays of the R.S. through the past 150 years. Alice Tuckett had a wonderful display of pictures of past bishops and R.S. presidents. She also gave a report on the many projects the R.S. has done over the years. Pictures of all who attended were taken and a wonderful meal was served. It was a great success!*

*On April 1992, Homemaking meeting was spent putting packets together for the Women's Shelter in Rexburg.*

*In May 1992, recipes from all 3 Hibbard Ward sisters were gathered to put in a cookbook for all to enjoy the good cooking of the sisters of the Hibbard area.*

*On August 13, 1992, a Tri-Ward dutch oven chicken dinner was served and the many sisters who attended enjoyed a nice evening of visiting and viewing pictures of past R.S. Presidents.*

*HIBBARD THIRD WARD*

*On August 8, 1991, A social was held for three Hibbard Wards. A dutch oven chicken dinner was served and visiting was enjoyed by all.*

*On October 1991, our R.S. sisters served meals to the lady missionaries. We enjoyed getting to know them. We did this again in February.*

*On December 1991, our R.S. was asked to make 15 pairs of pajamas. President Lynda Holley cut them all out and made them into kits. Several sisters helped sew them up, some doing three. We could have done many more because the response was so great. They were put with others done by Relief Societies in our region. They were sent to a hospital in Bolivia.*

*On March 19, 1992, Hibbard First and Third Wards combined to celebrate the 150th birthday of R.S. The cultural hall was beautifully decorated. The interest of the evening was the pictures of the past and present bishops and R.S. Presidents of all the Hibbard Wards. These were gathered and displayed by Alice Tuckett of the Hibbard First Ward. (I have a copy of the program which needs to go with this history). A picture was taken of all who attended the program. We had a total of 41 sisters in attendance from our ward.*

*On July 19, 1992, Mauri Barton was sustained as R.S. President, with Shirlene Withers as 1st Counselor and Nancy Parkinson as 2nd Counselor, and Connie Bourne is Secretary.*

*On August 13, 1992, a R.S. social was held for the three Hibbard wards with a dutch oven chicken dinner served. Our ward supplied the scones and cakes. About 80 ladies attended all together.*

*On October 21, 1990, a meeting was held in the stake center at 6 p.m. The matter of business was to split the Hibbard 1st and 2nd wards and make a new 3rd ward. Our first R.S. President is Lynda Holley, 1st Counselor JuLee Peterson; 2nd Counselor, Phyllis Jones; Secretary Brenda Schiess. In July 1991 Brenda Schiess was released and Shirlene Withers was sustained as Secretary.*
